GUARANTEE

30-year guarantee on HDX coating

The priority in our company is to assure our clients of the quality and functionality of IZOPANEL products. We achieve that goal through e.g. conducting trainings regarding the application of the products we offer, and providing our own guarantee service.

This document provides guarantee specifying that the decorative coating will adhere to the steel substrate for a particular time determined for HDX coating, on the side exposed to external conditions, in unpolluted environment.

This guarantee is provided in compliance with the terms and conditions of „Automatic guarantee on organic coated plates of Granite range" issued by Arcelor Mittal with the current Izopanel „General Terms of Sale" available on website www.izopanel.pl.

We spare no effort to make IZOPANEL brand become the synonym of guaranteed highest quality, care of customers needs and professional service at any stage of the purchase process and after the purchase is finalized. We do it all to make our customers, business partners and contractors remember well the image of Reliable Company.
